CROSSING THE GREAT DIVIDE

2024 SPEAKERS AND MUSIC MINISTRY

Steve Ray and his wife Janet are converts to the Catholic Church from the Baptist Tradition. They are the writers, hosts and producers of the Catholic DVD series *The Footprints of God: The Story of Salvation from Abraham to the Apostolic Fathers* which are featured on EWTN and FORMED. Steve is the best selling author of numerous books including *Crossing the Tiber*, the story of his conversion to the Catholic Church and his latest book on Genesis. He is in great demand as a speaker for conferences and parishes around the world and is a regular guest on Catholic Answers Live, Ave Maria Radio, EWTN and many others. Steve and Janet have been to the Holy Land over 200 times, guiding thousands of Pilgrims to Israel and other Biblical-Catholic Lands. Steve Ray was a great gift to CFM at our Third FLC, as a virtual unknown, AND we were incredibly blessed by him. www.catholicconvert.com

Brian Holdsworth is an entrepreneur and “creative” professional living and working in the Edmonton area. He joined the Catholic Church at the age of 22 and has been nagged by an impulse to share how the faith has transformed his life and purpose. He uses his YouTube channel and other platforms to satisfy the urge to communicate this dimension of his life on a weekly basis. So far, his YouTube channel has generated over 12 million views. He also owns and operates Holds Worth Design which specializes in strategic communication, branding, and web design. He has been a special guest speaker at our Men of Integrity Conference and is a quiet, thoughtful, and faith-filled husband and father who was drawn to the tradition and truth of the Catholic Church and now offers passionate insight to others on the journey. You can find out more about Brian by visiting www.brianholdsworth.ca.

Ken and Janelle Yasinski are a delightful, dynamic duo who unabashedly share their lives as a faithful Catholic family. They took us on an amazing journey into their life at our Family Life Conference in 2023 and CFM received many comments “to bring them back - every year!”. Their naturalness while speaking to hundreds of people made us feel like we were joining them at their kitchen table for a friendly chat about all the important things in life. Like all of us, their struggles and victories are real and the resources they have found to be helpful are shared with humour and clarity. Go to www.kenandjanelle.com and benefit from their personal story as they become a light and faith support in your weekly journey of Catholic life.

Brendan McCauley was born and raised in Olympia, WA and currently resides in Nashville, TN where he is President & Co-Founder of Humanum Project, writer, and international speaker for the Theology of the Body Institute. He holds a Masters in Theological Studies for Marriage and Family from the Pontifical John Paul II Institute in Washington D.C. and is certified from the Theology of the Body Institute in Quarryville, PA. For the past seven years, Brendan has been giving presentations to all ages on topics related to identity. Brendan spoke for the Lenten Mission at Holy Family Parish in St. Albert and to students as well. Listening to him speak with such youthful fervour about his journey and the stories that have impacted his life inspired our invitation to have him speak to the various age groups at FLC this year. In his spare time, Brendan enjoys playing pickleball, golfing, being on the water, and hitting the slopes! www.brendanmccauley.org

Janelle Reinhart says, “*It’s been a wild ride friends! When I got to marry my best friend at 19, (Jason Reinhart), I never dreamed I’d record three albums, tour the world singing and leading people in worship, while raising our eight kids and home schooling them to be world changers. God is faithful and mighty!*” Janelle and her beautiful family along with a few faithful Catholic friends, will be leading music in the Shrine this year. This will include music to prepare our hearts for talks, Masses, and Fr. Moret’s Benediction. We have been told to expect a variety of liturgical music for our Masses and much improved sound in the Shrine. We can’t wait!
